President Bob's Thought of the Week:

George Bernard Shaw said, "A government that robs Peter to pay Paul can always depend on the support of Paul."

Sarge Department. Sarge Barb

got to work with her beauty products trial: Ron Lewis, Brett Ellis, Todd McManus, Todd Reichley, and Brian Stephan gamely tried out various beauty products for women to see how they worked out. Sarge Barb promised a trial of men's products for women next week. Happy Bucks included one for a 100th birthday party in Joe Mullins's family and for Rock McColaugh's soon-to-arrive grandbaby.

Program: Sara Pappa from the Greene County Combined Health District.

Judy Baker presented (on behalf of an impressively long chain of people) Sara Pappa from the Greene County Combined Health District. Sara does a lot of Health Education and Promotion work for the Health Department, and reviewed many of the services provided by the Department with the Club.

Key services include:

- Dental exams;
- Restaurant inspections;
- Flu shots, immunizations, and shots for folks travelling out of the country;
- Radon tests for homes;
- Fitness promotion.

Sara noted that 25% of the Health Department's funding comes from taxes, and that the remainder comes from grants and other sources. In addition to their great staff, the Health Department has many outstanding volunteers who help with a variety of needs, including knitting blankets, scarves, and mittens for kids around the county.

The Four-Way Test

In 1932, Rotarian Herbert J. Taylor created The Four-Way Test, a code of ethics adopted by Rotary 11 years later. The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
