**Program: Club Assembly  
President Bob's Year in Review.**

President Bob thanked the Club for a wonderful year, a year in which we donated over \$25,000 to great causes, and had a lot of great successes: the Christmas Auction and Party, Clothes that Work, Pancake Day, the Golf Outing, the updated web site, online billing and an online Club directory, and much more. Bob thanked an impressive list of Club members for their individual service, as well as giving gifts to the Board and thanking the whole Club. Joe Mullins stepped in to thank Bob for his 100% attendance record during his presidency – Bob's 13th year in a row.

President Bob finished up with awarding a Paul Harris Fellow to Kent Martin for his many years of service as Editor of the *Elevator*. And with that, he handed over the gavel to President Kim.

**Welcome President Kim!**

President Kim started her term by thanking Past President Bob and her husband Tim for their support. She outlined her agenda for the Club for the coming year: recruiting new members and participation in our great activities – everything from Walk for Life to hosting a Youth Exchange Student. The motto for this Rotary year is "The Future of Rotary is in your hands" and President Kim urged us to make the most of all that Rotary has to offer, from making fun of one another during meetings to a Paul Harris Fellowship.

### Joke Department

Three mice are sitting at a bar in a pretty rough neighborhood late at night

Trying to impress each other about how tough they are.

The first mouse pounds down a shot of scotch, slams the empty glass onto the Bar, turns to the 2nd mouse and says, "When I see a mousetrap, I lie on my back and set it off with my foot and as the bar comes down I catch it with my teeth, bench press it 20 times to work up an appetite, then make off with the cheese.

The second mouse orders 2 shots of sour mash, slams each glass now empty on to the bar, turns to the 1st mouse and replies, "Yeah, well when I see rat Powder, I collect as much as I can, take it home, and add it to my morning coffee so I can get a good buzz going for the rest of the day".

The 1st mouse and the 2nd mouse now turn to the third mouse.

The 3rd mouse lets out a long sigh and says to the first two, " I don't have time for all this, I have a date with the cat".

### The Four-Way Test

In 1932, Rotarian Herbert J. Taylor created The Four-Way Test, a code of ethics adopted by Rotary 11 years later. The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
