Sarge Department. Sarge Joe kicked off with fines: a compulsory Happy Back from all parents who have kids on fall sports teams, fines for golfers who are not registered to play in the Club Outing, and got Happy Bucks from Susan Phillips for her parents' 58th Anniversary, Melida Cooper for moving toward adoption, and Cliff Johnson for his wife's birthday. There was also an update on the will-not-raise-your-taxes Library levy, and a list of some of the shortest books available at any library.

Program: Brady Kress.

Tony Sculimbrene introduced Dayton History President and CEO Brady Kress. Brady shared the impressive array of major historical sites managed by Dayton History with the Club, including:

- Carillon Park
- Hawthorne Hill
- Archive Center
- Old River Recreational Park
- Paul Laurence Dunbar House
- John Patterson Homestead

Brandy mentioned that local support of Dayton History is more crucial than ever, as state dollars dry up. One simple example was the Paul Laurence Dunbar House, which the State Historical Society was going to have to close to the public until Dayton History stepped in.

Treasures managed by Dayton History include the 1905 Wright Flyer (the first airplane that could turn) and an astonishing variety of other machinery invented in Dayton.

Joke Department

A prince had a curse put on him when he was a little boy. He could only speak two words every year. But, if he didn't speak for a whole year, he would then be able to speak 4 words the next year and so on.

One day he met a princess named Josie and he wanted to say "My Princess".

The next year he saw her he wanted to say "My princess, i love you".

The third year he saw her he wanted to say "My princess I love you, will you marry me?" But, the young prince, now growing older knew he would have to wait a couple more years.

So, on the fifth year, excited to finally present his question, he visited the princess.

He approached her respectfully and asked, "JOSIE, MY PRINCESS, I LOVE YOU. WILL YOU MARRY ME?"

And the princess said, "Pardon?"

The Four-Way Test

In 1932, Rotarian Herbert J. Taylor created The Four-Way Test, a code of ethics adopted by Rotary 11 years later. The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
